Dr. Richard Jelusich, Ph.D.

Dr. Jelusich is an author, teacher, gifted spiritual energy healer, experienced international speaker, and ordained minister. With over 30 years in the field of spirituality, and the study of metaphysics, he now dedicates his life to those on a quest for self-empowerment through education, demystifying metaphysics and assisting individuals to honor their natural gifts and inner truths.

A gifted intuitive, Dr. Jelusich sees that you are a luminous being of light experiencing a physical existence. He accurately reads how your soul-quality infuses itself into your waking personality. Uniquely blending the knowledge of bio field energies, spirituality and science into all his workshops, public speaking events and private sessions.

Dr. Jelusich continues to seek and offer new ways to demystify metaphysics. He has developed a transformational bio field energy course called Spiritual Healer's Training for the Whole Human Being. To date he has taught over 480 students in both Canada and the USA.

Dr. Jelusich is core faculty at the California Institute for Human Science and is a member of the board of directors. His courses include: Karma and Reincarnation, Spirituality and Superconsciousness, and Psychology of the Chakras (based on his books, **Eye of the Lotus**, and **I Can Relate**).

EYE of the LOTUS, Psychology of the Chakras — discusses the characteristics and qualities of dominant chakras, explaining how **your** dominant chakra affects your perceptions/reactions. Your chakras **are YOU** on a higher, spiritual level. Each dominant chakra affects ones' nature and disposition uniquely through mental, emotional, physical and spiritual states. Exercises and strengthening techniques for balancing the chakras are included in this *uniquely* informative book about chakras.

I CAN RELATE, How we intuitively choose the people in our lives — explains how and why our pre dominant chakra draws certain people and situations to us. Learning to understand yourself in this new way you can *improve all your relationships*. I Can Relate includes 27 case histories, a self-assessment checklist for your dominant chakra, plus 7 keys to creating satisfying and rewarding relationships.
