

On behalf of Light News, we are very pleased to announce that Dr. Richard Jelusich is offering free lectures to the business community on the subject of holistic healing.

Dr. Jelusich has been helping to profoundly heal and empower individuals for more than twenty years. Lectures offered to the business community are down to earth and experiential, flowing with ancient knowledge and current scientific facts. Through his workshops, he assists in developing individuals' personal awareness so they can:

- Feel the freedom of changing their life's perceptions
- Connect more deeply with their natural intuitive gifts
- Improve their relationships through understanding themselves and others better
- Recognize and use keys for remaining in harmony and balance amidst the rapidly unfolding dramatics of our time

Lectures can be tailored to best fit the needs and interests of your employees/clientele. Topics include:

- The Human Biofield
- Anatomy of the Chakras
- Spiritual Healing for the Whole Human Being
- Karma and Reincarnation
- Energetic Balancing
- Introduction to Spirituality
- Family and Relationships

Through experiencing true holistic healing, individuals lead more productive and meaningful lives. We invite you to take advantage of this offer to host Dr. Jelusich by calling 1-877-242-5721 or emailing info@lightnews.org to book your complimentary lecture/workshop.
